Shamanic Drum Journey and Crystal Healing + Valerie's Intuitive Guidance **\$77.00 for 30 minutes**

Shamanic Drum Journeys are a way for the healer or the consumer to “ride the drum-horse” as a vehicle to journey the mind into a Theta state. Once in a theta state the healer or the consumer may experience guidance thru visualizations and clairaudience (capability of receiving an intuitive vocal message from the world of spirits or a higher being). Sound has been used for centuries in cultures all over the world to bring greater spiritual healing and alignment to humanity. Drum journeys may also be utilized to connect a consumer to their Spirit animal, Power animal, have a Soul retrieval, or connect and find peace with a loved one who has transitioned. Drumming may restore vitality, peace of mind, spiritual clarity, and alignment with ones higher purpose for the greater good. Shamanism is not affiliated with any one religion and is an open spiritual practice that does not interfere with any religion. **\$123.45 for 60 minute session followed by crystal bath, and intuitive guidance**

Reiki Crystal Healing and Energy Body Recalibration

Reiki is a form of alternative medicine known as energy healing. Reiki uses symbols, palm healing, light touch (may also be hands free/touch free for distant healings or healings where the consumer does not desire there to be any contact), and crystals to evoke a universal energy field to encourage emotional, physical, and spiritual healing within a consumer. Reiki may be used to clear blocks and regain a flow of harmonious energy in consumers. Reiki may enable relaxation, reduce pain, speed up healing, and reduce other symptoms of illness or disturbance in the body, mind, and spirit. Reiki is not affiliated with any one religion and is an open spiritual practice that does not interfere with any religion.

Gene Keys Reading + Valerie's Own Intuitive Guidance

The Gene Keys is a system carefully and meticulously crafted over centuries of knowledge of astrology and esoteric arts combined to the specificity of your birth time, and birth location by Richard Rudd. The Gene Keys provides the consumer with their "Hologentic Profile," providing insight where a consumer may be living in their "Shadow" or "Gift" of each key, and inspiration on how to improve their quality of life and experience of life, to ascend to the "Siddhi" or the divine essence of each Key. The Gene Keys provide information to achieve solutions in ones life by sharing what your gifts are, the shadows that prevent those gifts from unleashing, and the full potential (siddhi) of a fully actualized Gift. In short, the Gene Keys teaches one the "Art of Living Well."
